COVID Business Support and update:

The EDC office has been assisting small businesses in filling out COVID related loans and grants. We have also been fielding questions on unemployment and assisting citizens with unemployment applications.

The office has partnered with the VGCC small business center to offer "Doing business remotely" resource classes free to our citizens and businesses. We have the ability with Zoom to offer these classes to 500 participants so we have opened up the class to a regional audience. To date, we have had over 200 participants from around the region including students, businesses, and federal and state employees. We have employed a local marketing company that has been particularly hard hit by the pandemic to teach the classes.

The EDC office has been in contact with local industry to make sure they are up to date with the latest federal and state regulations and relief options. Overall, our larger employers seem to be weathering the pandemic fairly well in comparison to our small businesses. Much of our industry is considered essential and are involved in agriculture directly or indirectly in some fashion.

Warren County Memorial Library
Biennial Report
April 2020

From the Director

2019 We enjoyed a year of exciting growth here at Warren County Library. Since our earliest days, our goal has been to be the best small library we can be given our location, resources, and community needs. We continuously evaluate our collections and services to ensure we are making the best allocation of funds and staff time. In our role as a community center, we offer purposeful programming, emphasizing quality and quantity and rethinking programs as community needs evolve. We do the same for our collections, weeding out materials that are no longer circulating, increasing our digital holdings to meet growing demand, and adding new materials and formats as they become available.

As the world moves increasingly online, we have looked for ways to meet the community needs today and in the future. Beyond our growing digital library, that is always available even when our doors are closed, an increased presence on social media has raised our profile and led people to reach out to us in new ways that benefit all of us. We continue to provide excellent customer service, genealogical research and technological support. We provide services to children, teens, adults, parents, teachers, business owners, job seekers, and readers.

2020 We look forward to discovering new ways to entertain, enlighten, and enliven our growing community as we begin this new decade.

- We encourage our residents to support the library by donating time, books and money. They impact library services greatly through their support.
- Volunteers serve as members of our Library Board of Trustees, Friends of the Library, School Interns, Community Partners and accumulated 1,063 hours of library service.
- County residents donated over 4,000 books to the library for the Friends' Annual and Weekly sales, and the Little Library book giveaway station. The Friends of the Library and Warrenton Rotary collaborated to build and place a Little Library at Whistlestop Restaurant in Norlina. Residents can select a book and/or leave a book for reading. The Friends support providing more Little Libraries in communities as we continue to promote literacy.
- Our dedicated volunteers' advocacy ensure that the library will continue to be a special place where people, ideas, and the community can grow.

AGENDA ITEM # 6 (pg 1 of 2)

Amendment # 14 to the FY 2020 Budget Ordinance

By: Katherine Brafford, Finance Director

MEMORANDUM

TO: Warren County Board of Commissioners
THROUGH: Vincent E. Jones, County Manager
FROM: Kathy Brafford, Finance Director
DATE: April 26, 2020
RE: Recommendation for Approval of Budget Ordinance Amendment #14 to the General Fund

Background

Two items are addressed in Budget Amendment #14 to the FY 2020 Budget Ordinance. They are as follows:

- 1) We are asking for an increase in appropriations to the Fire Protection Budget in the amount of \$3,000 to re-appropriate the reimbursement to Ridgeway VFD for grant matching funds initially budgeted in FY 2017 to assist with the purchase of new radio equipment. Funds were budgeted for thirteen (13) VFDs at a maximum reimbursement of \$3,000 per VFD. Ridgeway VFD did not purchase their equipment until December of 2017. The BOCC re-appropriated the reimbursement in FY 2018; however, the reimbursement did not get processed in FY 2018. The Fire Department did not realize that they had not received their reimbursement until they received their FY 2018 audit in late FY 2019. Chief Tucker has asked if the County could process this reimbursement.
- 2) We are asking for an increase in appropriations to the Health Dept budget to cover the cost of additional funds received from the NCDHHS – Division of Public Health in the amount of \$59,912 for COVID-19 Crisis Response.

Recommendation

I am recommending that the Board approve Budget Amendment #14 to the FY 2020 Budget Ordinance.

**Electronic Meetings Policy of Warren County Boards,
Commissions, Committees and other Public Bodies
(Inclusive of the Warren County Board of Commissioners)**

**ELECTRONIC MEETINGS POLICY
OF
Warren County Boards, Commissions, Committees, and other Public
Bodies (Inclusive of the Warren County Board of Commissioners)**

The Warren County Board of Commissioners recognizes that Article 33C of Chapter 143 of the North Carolina General Statutes contemplates that official meetings of public bodies may take place by electronic means as authorized by §143-318.10(d). This Electronic Meetings Policy is a guide for how the Warren County Board of Commissioners and the Commissions, Committees, Councils, Authorities, or other Public Bodies created by the Warren County Board of Commissioners intends to conduct meetings featuring electronic participation.

1. Meetings to Which This Policy Applies

This Policy shall apply to meetings of the Warren County Board of Commissioners, and to the Commissions, Committees, Councils, Authorities, or other Public Bodies created by the Warren County Board of Commissioners and any other public bodies existing under the authority of Warren County (hereinafter referred to as "Board" or "Boards"). This Policy supplements any Rule(s) of Procedure, Policy or Policies approved by the Warren County Board of Commissioners for the meetings of its Boards. Electronic Meetings can take place for any regular, special, or emergency meeting, subject to the conditions governing the use of Electronic Meetings.

2. Conditions Necessary for Electronic Meetings

The Warren County Board of Commissioners agrees that electronic meetings will only be permitted when any of the following entities declare that a state of emergency or a disaster exists in an area including Warren County: the federal government of the United States of America; the Government of the State of North Carolina through the Governor of the State of North Carolina or other method permitted by Chapter 166A of the North Carolina General Statutes; or the Warren County Board of Commissioners or the Chairman thereof. The state of emergency declaration or disaster declaration must be related to a distinct event that reasonable persons can agree directly affects the County of Warren.

3. Definition of an Electronic Meeting

ITEM # 11 (pg 2 of 4)

Electronic Meetings Policy of Warren County Boards, Commissions, Committees and other Public bodies (Inclusive of the Warren County Board of Commissioners)

An Electronic Meeting is any meeting where one or more members of the Board participates through telephonic communication, or a telecommunications application which allows simultaneous communication by multiple parties (such as Zoom Ring Central, Uber Conference, Cisco Webex, or other virtual or teleconferencing platforms), or other similar means that allows the members of the Board to hold a meeting without all members being physically present in the same room. It includes the following situations:

- Board members meet solely by electronic means. The Board makes a room available where members of the public can go to listen to (or watch and listen to) the meeting.
- Board members meet solely by electronic means. The Board streams the meeting live online or provides a phone number that people can call to listen to the meeting.
- Some or all Board members meet in person, but the Board (1) limits the number of other attendees in response to social distancing guidelines or restrictions on mass gatherings or (2) completely bans the public from attending the meeting in-person. The Board livestreams the meeting or gives out a number people can call to listen to the meeting.

4. Notice of Electronic Meeting

If an Electronic Meeting is necessary, a public notice of the electronic meeting shall be sent as part of any notice required by North Carolina General Statutes §143-318.12. The public notice, in addition to the information required by North Carolina General Statutes §143-318.12, shall provide:

- a. The location of the physical meeting; and
- b. The location of where a member of the public, member of the media, or others, may listen to the Electronic Meeting in accordance with §143-318.13 of the North Carolina General Statutes.

This requirement is subject to limitations on the number of people that can physically attend a gathering, if restricted by proper governing authority. In such case, the public shall be given reasonable notice of listening/participation in the meeting.

ITEM # 11 (pg 3 of 4)

Electronic Meetings Policy of Warren County Boards, Commissions, Committees and other Public bodies (Inclusive of the Warren County Board of Commissioners)

The notice shall be provided in the manner required by Article 33C of Chapter 143 of the North Carolina General Statutes. If the Electronic Meeting is being used for any part of a regular meeting that is on the meeting schedule adopted by the Board, then the information required above shall be provided in a separate notice to be provided in accordance with Article 33C of Chapter 143 of the North Carolina General Statutes. Any notice provided may also be posted on the County of Warren's bulletin board, website and social media accounts, if possible.

5. Quorum

Board members present in person or electronically, shall be included in the calculation for determining if a quorum exists. If a Board member who participates electronically withdraws from the meeting, the rest of the meeting may be completed provided there is still a quorum of the Board members present either in person or electronically. Any Board member withdrawing from the meeting shall no longer be included for purposes of the quorum calculation.

6. Process of Opening Meeting
