To: Warren County Water Customers

Warren County Public Works is proud to be your water service provider. Providing citizens with quality water service is our top priority.

- a. For the construction of a water tap, please complete the enclosed tap application and return it to our office. Full payment is required prior to tap installation.
- b. Water meter taps will be placed at the edge of the state road right of way adjoining your property. Please place the enclosed flag where you would like the tap installed.
- c. When the water tap is installed, it will be the responsibility of the property owner to install a line from the water tap to the residence.
- d. For water service, complete the enclosed Application for Water Service and return it to our office. A utility deposit of \$100.00/water or \$150.00 water & sewer (if sewer is available), and two forms of identification will be required.
- e. Automatic Draft is available.

If you have any questions, please do not hesitate to call the Warren County Public Utilities Department at (252) 257-3645.

Sincerely,

Macon Robertson, Director
