Account # _____
Book# _____
Seq. # _____

Name: _____

Service Address: _____

Billing Address: _____

Home #: _____ Work/Cell #: _____ Email: _____

Service Size Requested

- 3/4" water tap – (standard residential tap) \$ 950.00
- 1" water tap – (1,500+ feet from meter service) \$1,100.00
- 3/4" Irrigation tap – NC General Statute requires irrigation systems to be metered separately.

\$125.00 Security Deposit is required prior to opening billing account (for water service only). The water meter will not be installed without a deposit and completed Application for Water Service. Billing will begin when the meter is installed.

Install meter with tap (Application for Water Service and security deposit required) Yes No

North Carolina State law requires that anyone planning to disturb the soil must provide advance notice to the underground facility owners. The following information is needed for locating the underground utilities on NCDOT's right-of-way:

Physical Address: _____

Closest Intersecting State Maintained Road: _____

Distance between address where tap is to be installed and the closest intersecting state maintained road listed above: _____

*****NOTE*** Warren County Public Utilities may move tap location within five (5) feet of flag placement without contacting property owner. Relocation of tap may be necessary to avoid conflict with existing underground utilities, driveway pipes, and/or tree roots.**
