**Subject:** Approval of Annual Plan Design and Open Enrollment

#### Background

The Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law on March 27, 2020. This law directed \$150 billion to states and territories via the Coronavirus Relief Fund (CRF) to be used for expenses related to addressing the COVID-19 pandemic. NC received a total of \$4.066 billion but approximately \$481M went directly to local governments with populations greater than 500,000. Session Law 2020-4 placed \$300 million in a local government CRF reserve fund and appropriated \$150 million of those funds to be distributed to counties across NC who were not eligible for direct funding.

The allocation percentages are determined in S.L. 2020-4. The allocation includes:

- Base allocation of \$250,000
- Additional pro-rata allocation based on county population according to 2019 Vintage Year Census Bureau estimates (leaving out Guilford, Mecklenburg, and Wake as they received funds directly from U.S. Treasury). Warren County is scheduled to receive \$571,030 to be used by December 30, 2020.

#### Recommendation

I am recommending that Warren County accept the funds and authorize the County Manager to develop and submit a plan by June 1<sup>st</sup> to the State of North Carolina, Office of State Budget and Management, NC Pandemic Recovery Office, to include providing a portion of the funds to the Town of Warrenton, Town of Norlina and Town of Macon.
